Since the band first formed in 1980 we have been performing at lots of maritime and bush style events all around South

Australia, as well as Interstate and Overseas. If you have an event in mind we can offer you a great concert on either one of these fascinating themes from the most experienced band in the business!

Bush Dances are another great way to have fun and involve lots of people of all ages. It's wonderful family entertainment and no previous experience is necessary. 'Annie', our dance caller, is an expert teacher and really knows how to get people up and dancing.

Bush dances are really Folk Dances, done in the olden days before TV and cars were invented. The country dances of England, Ireland, Scotland and Europe were brought to Australia with our ancestors – some over 200 years ago. It's an event that everyone can join in, so why not organise a community Bush Dance?

"Rocky River sets any crowd in a party mood with their infectious beat and dynamic stage act"
..... THE NEW AGE GUARDIAN

"Rocky River Bush Band take their audience on a long cavalcade across the Australian horizon"
